## WORK EXPERIENCE

### Software Developer Intern

*Learn Factory, Aba, Abia*      *July, 2019 – Jan. 2020*

I acquired tech skills in Web and Mobile App Development and built a Game as well as collaborated on tasks with my team mates.

### Civil Engineering Intern

*Jan, 2017 – Oct. 2017*  
*Lee Engineering, Effurun, Delta*

I worked as an Assistant Foreman, co-organized several construction projects, ensured appropriate use of equipment by employees and reported progress on each project to the Foreman.

## ACCOMPLISHMENTS

- Built a Number Guessing Game using React Native.
- Collaborated with my team mates to build a Realtime Livescore Football App using React and Restful APIs.
- Published posts on Medium to share my experiences as a Software Developer.
- Managed the Twitter handle at Learn Factory.
